

ASPIRE, BRIGHTON BEACH

 Saint Michael, Barbados

Introducing Aspire by IMAGINE ? new luxury beachfront condos for sale. This exclusive address, with only twenty residences, presents a unique opportunity for waterfront living on the platinum West Coast of Barbados.

The residences: two four-bedroom condos, twelve three-bedroom condos, and six two-bedroom condos, each impeccably appointed and boasting incomparable sea views.

Imagine an expansive sky lounge with stunning views all day long. A pool, fire pit, sun deck and shaded lounging areas provide a tranquil retreat that is easily accessed by elevator or stairs.

At ground level, a refreshing infinity pool sits next to the gym with large sea-facing windows. Secure assigned covered parking with additional storage is available at the basement level.

Just north of the historic capital, Bridgetown, the location allows convenient access to the west and south coasts. Nearby, residents can explore fine dining options, horseracing events, renowned wreck diving spots, and the Caribbean's most famous cricket ground.

Brighton Beach is undergoing a vibrant revival, where renovated owner-occupied homes blend with upscale short-term rentals, creating a refined mix of community and tourism. Locals and tourists exercise daily on the 3K stretch of white sand and bask in the crystal-clear waters.

The debut of IMAGINE's Allure (luxury condos), the reopening of a historic rum distillery's Visitor's Centre, and upcoming plans for a major luxury brand redevelopment all speak to the area's further growth potential. Close by, the ongoing redevelopment of a full-service private marina offers exciting prospects for boat enthusiasts.

Work on site began in March 2025 with anticipated completion in Q4 of 2026. Images are computer generated and for illustrative purposes only. Plans are not to scale and subject to change. Kitchen appliances are included but other furnishings are virtual representations and not included in the sale.
