

25 EDGEHILL HEIGHTS

Saint Thomas, Barbados

The amply sized plot is located in the well-established upper middle-class neighborhood of Edgehill Heights, near to the renowned Earth Works Pottery. Edgehill is easily recognizable landmark from various locations on the island, due to its elevated and central location.

The potential buyer will be able to enjoy views of the Bridgetown port stretching into the St George Valley. Additionally, the area is typically cool and has minimal traffic, which provides the owner with a relaxed retreat.

Key specifications- 14,500 sq ft, flat, rectangular plot on an elevated ridge

Covenants allow for single family and multifamily residential dwellings
