

FRANCIA LOT 2

 Saint George, Barbados

Discover the perfect canvas for your future home with this expansive, elevated lot situated in a serene country setting. Spanning an impressive 16,994 square feet, this property offers ample space for creative architectural designs and ensures exceptional privacy.

Mature mahogany trees grace the landscape, providing cool shade during hot days and enhancing the comfort and natural beauty of your environment. From your future home, you will enjoy breathtaking vistas that sweep across the St. George Valley, making every sunrise and sunset a memorable experience. This spacious lot is ideally suited for families, offering plenty of room to build a residence with gardens, play areas, and more. The peaceful, rural atmosphere allows you to experience the calm of country living while remaining just minutes away from local amenities.
